(December 30, 1937 - October 30, 2005)

This memorial website was created to remember our dearest **theresa maresca morales** who was born in **United States jersey city** on **December 30, 1937** and passed away on **October 30, 2005** at the age of **67**. You will live forever in our memories and hearts.

Mom, Thank you for my life, I will always miss you and love you!!!

Till we meet again.....Goodbye!
With love from your Daughter

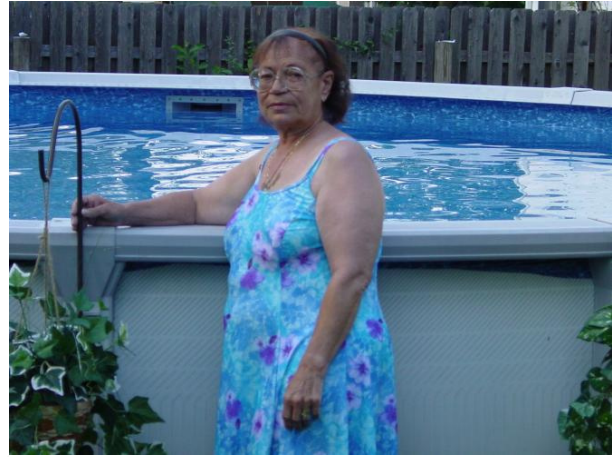

If tears could build a stairway,
and memories were a lane,
I would walk right up to heaven
to bring you home again.
No farewell words were spoken
no time to say goodbye

you were gone before I knew it,
and only God knows why.
My heart still aches in sadness
and secret tears still flow,
what it meant to lose you,
no one will ever know.

The background is a textured, light brown or beige color. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly curled, while the one on the right is larger and more fully bloomed. The roses are rendered in a soft, painterly style, blending into the background.

Memories Of You

I remember everything about you,
your voice, your smile, your touch,
the way you walked, the way you talked,
the way you looked at me, meant so much.

I remember all the words you said to me,
some funny, some kind, some wise,
all of the things you did for me,
I see now with different eyes.

I remember every moment we shared,
it seems like only yesterday,
or maybe it was eons ago,
It's really hard to say.

You are gone from me now,
but one they can't take away,
your memory resides inside my heart,
and lights up my darkest days...mom!!!!

My God, why did you take my mother?
Angles took the wrong one - not her - another.
Regret is a feeling that I feel everyday;
You took her from me, and I didn't say -

"I Love You, Mom," in my own way;
Only to hear her say it back to me.
God, why couldn't you just let us be?
She didn't deserve to die;
Didn't deserve to be in pain,
Only to leave me here asking you why -
Night after night when I cry in vain.

we all have a angel now!!!!

You were so full of life,
always smiling and carefree.
Life loved you being a part of it,
and I loved you being a part of me.

You could make anyone laugh,
even if they were having a bad day.
No matter how sad I was,
you could take the hurt away.

Nothing could ever stop you,
or even make you fall.
You were ready to take on the world,
ready to do it all.

But God decided he needed you,
so from this world you left.
But you took a piece of all of us,
our hearts are what you kept.

Your seat is now empty,
and it's hard not to see your face.
But please always know this,
no one will ever take your place.

You left without a warning,
not even saying good bye.
And I can't seem to stop,
asking the question why.

Nothing will ever be the same,
my life is empty without your laughter.
But I know your up in Heaven,
watching over us and looking after.

I didn't see this coming,
it hit me by surprise.
And when you left this world,
a small piece of us died.

Your smile could brighten anyones day,
no matter what they were going through.

And I know everyday for the rest of my life,
I will be missing you!

oct 30,2005 r.i.p theresa morales-maresca we all will miss you so much!The Day we lost you was a sad one.

The world will never again be the same.

You were a rare and brilliant find.

You never did judge anyone, always so kind.

You always made them feel at home.

You accepted everyone like each of them was your own.

You never asked for them to change anything just to suit you.

You loved them unconditionally with a love that was so pure and true.

Now your time has come to be reunited with your love

And sit with him next to God in the up above.

Yes we are all sad to see you go

We love you more than you will ever know.

Now we have a golden angel to watch over us everyday

And help guide us along the way.

mom

i miss you so much!!!!

I MISS YOU, MOM

I used to think that people didn't need
their moms so much after they grew up.

But I've realized that's not true.

So often, when I'm making a decision,

I wish you were here

so I could ask your advice.

And so many times,
when something happens
that I know you would enjoy,
I wish you were here
to share it with me.

Now that I'm older
I've realized how special our relationship is.
And while I'm thankful for this bond,
somehow it makes me miss you more..
Mom, I love you so very much.

A POEM FOR MY MOTHER

I miss you so much,
your laugh, your smile, your touch.
You always brightened my days

with all the smiles you sent my way.

I need you as my angel
to always be at my side.

I need you as my angel
to give me peace of mind.

I like to think you near to me
to know that you are there.

Even though I can not see you,
I feel that you are near.

Please do not forget me mom,
for you are always in my heart,
my thoughts and prayers.

I love you.
